

I'm doomed to care, i've lost my mind
But i don't care, i've been left behind
I'm doomed to care, this isn't fair
Because it feels like i'm left in despair
I'm trapped under my skin
Is stuck the evil in between
I don't want to hide
All this anger is inside my mind

Fuck
Why dont you fucking give up?
Why is it worth for you to fight?
Why is it too late for you to kill the anger inside your mind
Why dont you fucking give up?
Why is it worth for you to fight?
Why is it too late for you to kill the anger inside your mind

I'm trapped under my skin
Is stuck the evil in between
I don't want to hide
All this anger is inside my mind

I feel dead
I'm just losing, i can feel it in my head
I feel dead
I'm just losing, i can feel it in my head
